MESSAGE FROM THE HEADMISTRESS

To,
The Editorial Board,

I am delighted to know that very shortly you will be publishing the School magazine. I take the opportunity to wish you every success. My message to you dear students, runs thus:-

On the Road to Your Dreams

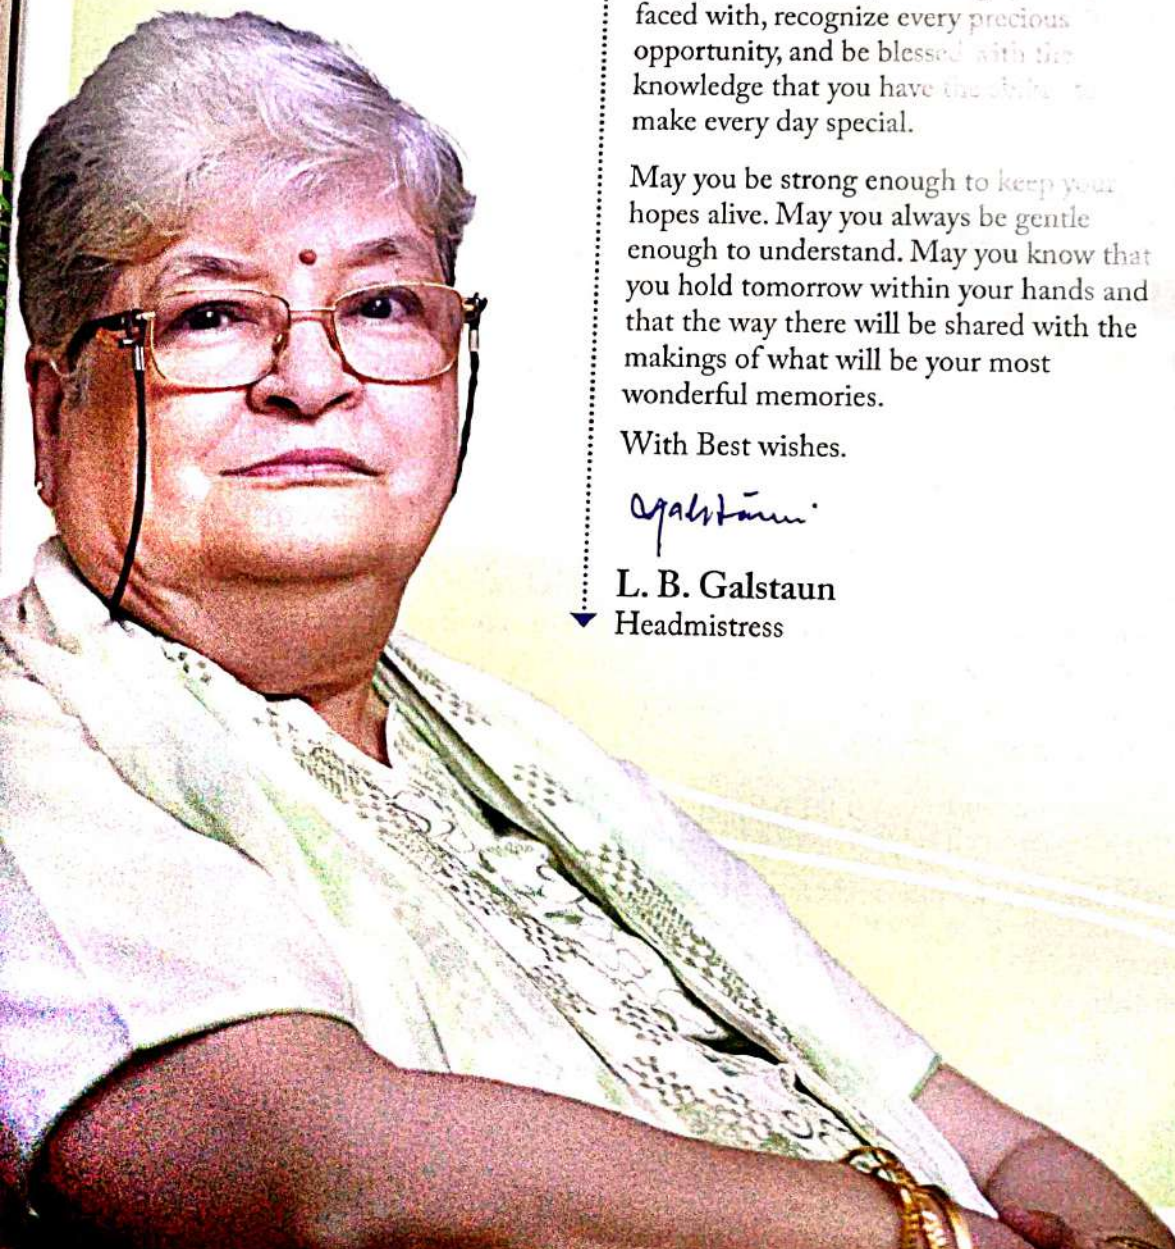

May you meet every challenge you are faced with, recognize every precious opportunity, and be blessed with the knowledge that you have the ability to make every day special.

May you be strong enough to keep your hopes alive. May you always be gentle enough to understand. May you know that you hold tomorrow within your hands and that the way there will be shared with the makings of what will be your most wonderful memories.

With Best wishes.

Headmistress

MESSAGE FROM THE ASST. HEADMISTRESS

There's a Chinese proverb that says
"The best time to plant a tree was 20 years ago. The second best time is now".

As each one of us is looking towards creating a better place for the future generations by planting trees and this seems like good advice...that's not what the saying really means. It's an encouragement to start doing something today that we haven't done before or were afraid to try. It tells us that it's always better to start late than never.

As we look back at the events of this past session through the pages of our annual magazine 'Footprints', we can marvel at the great achievements of our school and our students. I salute the courage and determination of our students who work hard to contribute to our school's successes. They keep the flag of St Karen's Montessori School flying high!

As we move into a new session, I wish all our Karenite students, teachers as well as our parents every success in their endeavours.

Let us reflect on what the motivational proverb tells us...we need to take actionable steps towards our future as even small steps in the right direction can lead to great results.

Leave footprints of love and kindness wherever you go!

Warm wishes

Sharon Galstaun

MESSAGE FROM THE CO-ORDINATORS

“The laughter of children is like the fragrance of flowers.”

We, at St. Karen's Montessori School, strongly believe that 'A Happy Mind is a Learning Mind.' It brings happiness and positivity in the young minds of our Karenites. Every morning our School opens its gate to non-stop chatter, giggles and happy feet of the children eagerly rushing into the school looking forward to a day full of fun and action. Building 'A Happy School' has been one of our key concerns with an aim to create a friendly, safe and engaging learning environment where our team of hardworking and dedicated teachers give their students the physical, psychological and emotional support they need to thrive. We lay a strong emphasis on discipline, attendance, punctuality and smartness of our Karenites which help them to become independent and confident individuals. We look forward to the cooperation of our parents as they partner with us by sending their children to school regularly, punctually and dressed in neat and clean uniforms. We believe that together we have an immense responsibility in contributing to shaping the personality of the young minds in our school.

We are very fortunate to have a benevolent School Management, a dedicated and wonderful team of teachers, staff and parents who have been continuously supporting us in all our endeavours. We would like to take this opportunity to express our sincere gratitude to each one of them for their consistent and unwavering support. This contribution is what makes our children excel, allowing them to bloom to their brilliance of colours and spread their fragrance in all directions.

When I push myself
I achieve
my personal best.

I secured 2nd Position in the 'Book Talk Competition.' It was a very tough competition. I got a chance to talk about the Book '365 Bedtime Stories'. I have discovered one thing after participating in the 'Book Talk Competition' and that is "Practice makes a man perfect".

WE CARE

"We care, We are there!"

With this motto we started our sessions this year as Guidance Counselors. Through these sessions we got the chance to interact with the students, know and understand their issues and solve them. This we could do through our movement called "WE CARE" in the one to one session with the students by knowing their difficulties and solving them. Every day we get many letters of our students who need our help, pouring their heart out in the WE CARE box and we too try our best to solve their problems by listening to them and interacting with them whole heartedly. We are always looking forward by 'BEING THERE' to 'TAKE CARE' through 'WE CARE' for all our students.

HELP AGE INDIA

"To work for the cause and care of disadvantaged older persons and to improve their quality of life"

Helpage India is a secular, non-profitable organization in India, registered under the societies Registration Act of 1860. Every year, Mr. Alok, Director of Help Age India, Patna arrives at our school and encourages our students to do welfare for our disadvantaged elderly community. Helpage India also instills a sense of belief in our children to take care, respect and share the pure bond of love with their grandparents.

Our school and Helpage India's Director also promote them to do social service through collecting money from their near and dear ones. This session (2023-24) our children with the encouragement of their respective class teachers contributed a sum of Rs. 4 lakhs for our disadvantaged elderly in society.

The motto of this club is to nurture the talents, celebrate the diversity and give expressions to the creativity of young minds through Music, Dance and Drama. The club conducted a Patriotic Singing Competition which proved to be a great success.

In the Patriotic Singing Competition Sapphire House got the 1st prize. We sang 'ताकत वतन की हम से है' in a group. It was a great day for us because we received the trophy from 'Sharon Ma'am'. Our melodious song touched the heart strings of the audience.

संत कैरेंस मान्देसरी विद्यालय में विभिन्न प्रकार की गतिविधियाँ कराने हेतु कई क्लबों का संचालन किया जाता है। ये क्लब शिक्षाप्रद गतिविधियाँ करवाकर बच्चों के व्यक्तित्व निर्माण का कार्य करते हैं। इन क्लबों में एक क्लब है - हिन्दी क्लब। इस क्लब का आदर्श वाक्य (motto) है -

“हिन्दी हमारी पहचान, हमारा गर्व” इस वर्ष मई एवं जुलाई महीने में इस क्लब ने दो गतिविधियाँ कराईं। पहली गतिविधि थी कक्षा तृतीय एवं चतुर्थ के बच्चों द्वारा “एकांकी नाटक का प्रस्तुतीकरण” एवं द्वितीय गतिविधि थी “दिखाओ एवं बताओ” प्रतियोगिता। एकांकी नाटकों में बच्चों ने चार छोटी कहानियों का नाट्य-रूपान्तरण प्रस्तुत किया। इन नाटकों के माध्यम से शिक्षाप्रद बातें बताई गईं। विभिन्न प्रकार के संदेश दिए गए एवं रोचक प्रसंगों द्वारा हास्य-विनोद का माहौल बनाया गया। ‘दिखाओं एवं बताओ’ प्रतियोगिता में प्रत्येक प्रतिभागी को एक वस्तु दिखाकर उसके बारे में बताना था। बच्चों ने दिखाने के लिए विभिन्न प्रकार का सामग्रियाँ चुनीं जैसे - आम, गुड़िया, छाता, रोलर स्केट्स आदि। बच्चों ने प्रतियोगिता में उत्साहपूर्वक भाग लेकर कार्यक्रम को अभूतपूर्व बना दिया। इस गतिविधि के माध्यम से बच्चों की रचनात्मकता, सोच एवं बोलने की कला को निखारने का प्रयास किया गया। इस प्रकार हिन्दी क्लब ने इन गतिविधियों का संचालन कर विद्यार्थियों के व्यक्तित्व विकास का सफल प्रयास किया।

SELF-SAFETY AND SELF PROTECTION

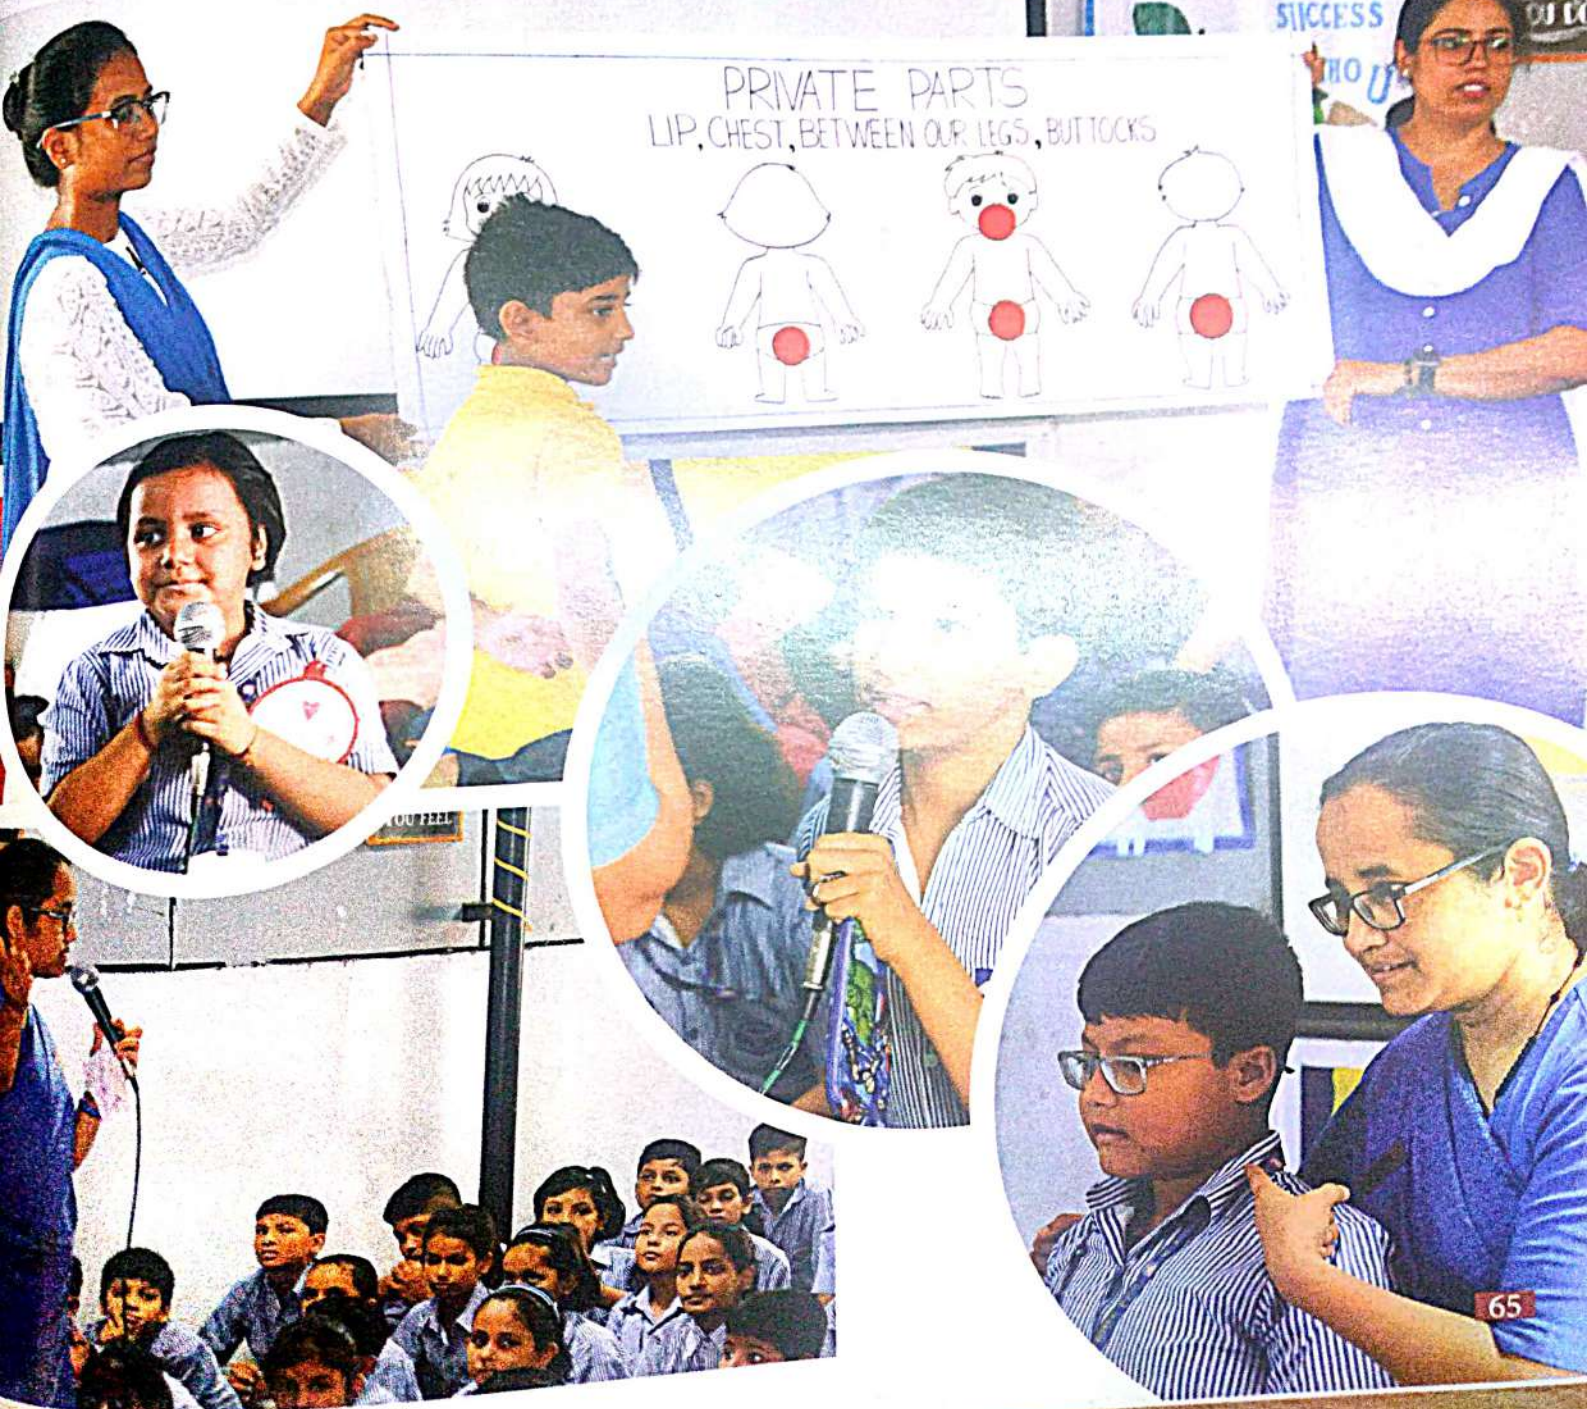

“Stay Aware Stay Prepared” “Empower Yourself, Protect your Space”

Self-Safety encompasses situational awareness, setting boundaries and being cautious in an unfamiliar environment. Proactive measures to minimize risks. This includes learning self-defence, carrying personal safety devices and staying vigilant.

Self-Safety and Self Protection are crucial for children as they are vulnerable and may lack the experience to navigate potential risks. For teaching them about personal safety, an Awareness Session “SELF SAFETY AND SELF PROTECTION” was conducted by the school guidance counsellors Deepa Ma'am, Ms. Shalini Das and Ms. Sabita Shah in the second week of July 2023. All the students from Std 1 to 4 got a chance to participate. The students learnt about the different kinds of touches (Safe touch and unsafe touch) and the different kinds of touches (Safe touch and unsafe touch) and “How to React”?, “What to do”? and “Whom to tell”?

Students were also explained about “MY Safe Circle” and the “HELPLINE NUMBER – 1098”.

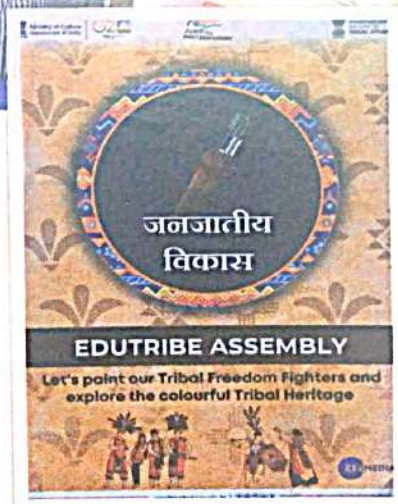

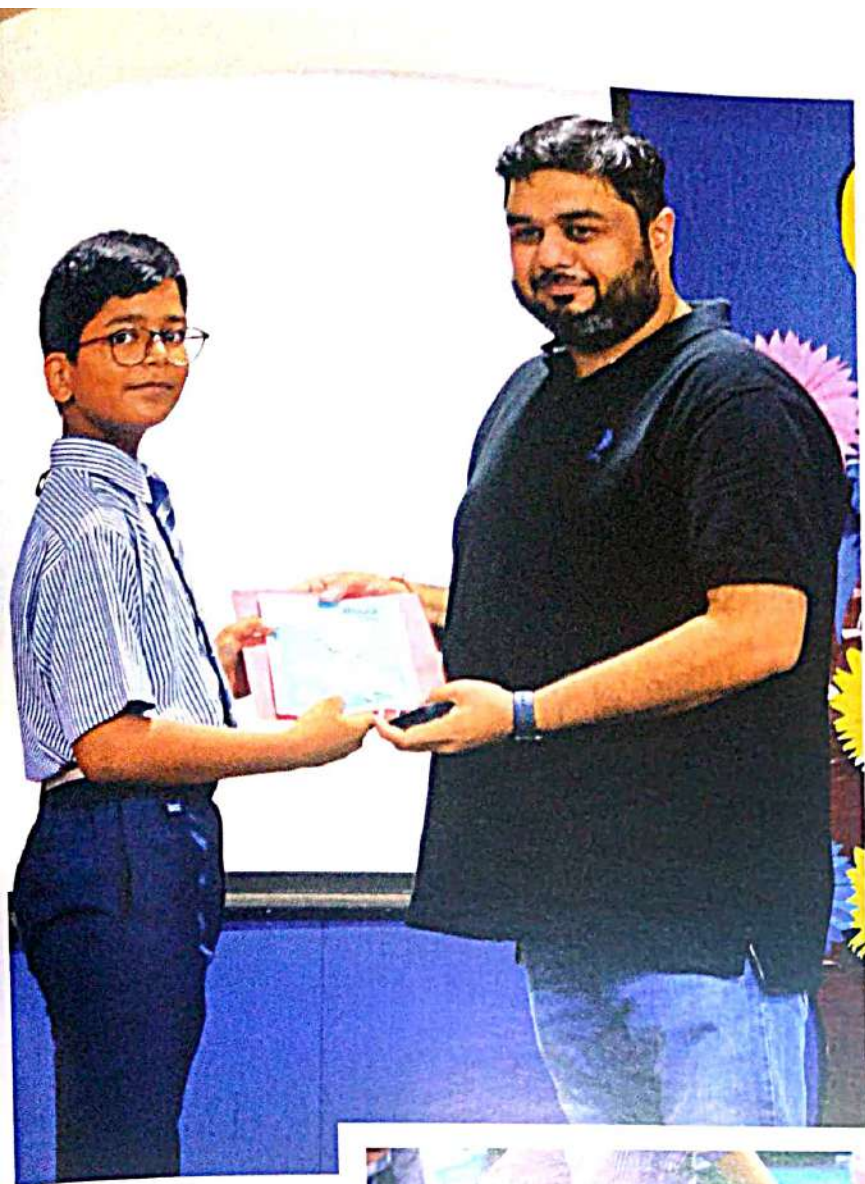

EduTribe

"Their immense sacrifice made for our freedom movement will always be remembered with pride."

Ministry of culture and Ministry of Tribal Affairs with Zee media organized 'EduTribe Assembly' on 2nd August to popularise the theme of 'Jan Jatiya Vikas' and taught the children about the legacy of our tribal heroes.

It was for our students of Std III and IV where they were introduced to different tribal leaders of India and their contribution in changing the Nation's evolution. There was a fun learning activity where students got the drawing sheets of revolutionaries such as "Birsa Munda and Tilka Manjhi" to fill in with colour. The environment was engulfed in patriotism and the children felt great pride and heartfelt gratitude towards these unsung heroes.

BAGLESS

DAY

The main purpose of introducing Bagless Day for Std. IV was to make learning at school joyful and stress free for students. The idea of Bagless Day aimed to inculcate the feeling of love in going to school everyday and reducing the burden of school bags. Our students totally enjoyed the day. Many activities were organised such as Elf On Shelf, Scavenger Hunt, Sports, Model Making, etc. with chapters of science and debates on the rich cultural diversity of India. The students were dressed in different attire from all the states of India and had brought a lot of different regions of India. It was a great day where teachers and students both engaged in joy and it was a triumph in learning.

For the first time in the history of K-Confluence, the conclave was inaugurated by our Director Sir Mr. D. P. Gakhatani. Teachers from the branches displayed their talents, and reflected themselves in this conclave. It was designed with events like K-Talk, Quiz, Self-Composed Poetry, Acting, Stand Up Comedy, Band Performance, Music Telling, and Photography. The teachers' efforts were recognized with the certification ceremony at the

✧ PUPPET SHOW

"Amazing Hand Puppets stimulate imagination and encourage creative play..!"

Children love to play with toys and puppets. The joy of watching puppets dancing and performing before them is enigmatic.

The Puppet Show was organized on 14th October 23 by our talented Karenites. The show was planned to enable the children to learn to converse and formulate their thoughts and words to the best. Our young puppeteers presented some interesting stories, with voice modulation, hand gestures and effective use of creative and colourful puppets.

The children were amazed to see their favourite puppet stories like – 'The lion and the Mouse, The monkey and the crocodile, Pita ki daant', and World Environment Day, unfolding before their eyes.

Everyone was happy and enjoyed it very much and also encouraged the children with applause.

Seeing the crowd of parents, our children were also very excited and encouraged to perform enthusiastically for them.
